

**Note:** Comes with 1 White Light Bar. Can be expanded up to a maximum of 4 Light Bars.

**FEATURES:**

- Suitable as primary light source
- Cool White 3500K
- 1-4 Light Capacity
- Wireless Handheld Control
- Low voltage LED Lights
- WIFI Control from your Phone

**BENEFITS:**

- Safe Operation
- Flush-mounted, low-profile design
- IP67 Rated Light Bars

**INCLUDES:**

- 1 - White LED Light Bar
- Wireless Handheld Control
- RF/WIFI Driver
- 90W Power Supply
- 1 – 30' Light Cable
- Adjustable and Stationary Mounting Clips

**SPECIFICATIONS:**

| <b>RF Handheld Control</b> | <b>Dimming</b>          |
|----------------------------|-------------------------|
| Operating Voltage          | 3VDC (CR2032)           |
| Power Consumption          | 5mA                     |
| Output Signal              | RF (2.4GHz)             |
| Dimming Range              | 1% - 100%               |
| Signal Distance            | 98FT                    |
| Dimensions                 | 5.47"L x 1.41"W x .43"H |
| Operating Temperature      | -22°F - 131°F           |
| Control Finish             | Black                   |
| IP Rating                  | IP20                    |
| Certification              | CE, EMC, LVD, RED       |
| <b>RF/WIFI Driver</b>      |                         |
| Input Voltage              | 24VDC                   |

|                       |                             |
|-----------------------|-----------------------------|
| Rated Out Current     | 5CH, 3A/CH Constant Voltage |
| Output Voltage        | 12vdc – 24vdc               |
| Max Output Power      | 5CH X 72W                   |
| Dimensions            | 4.48”L x 1.49”W x .78”H     |
| Operating Temperature | -22°F - 131°F               |
| IP Rating             | IP20                        |
| Certification         | CE, EMC, LVD, RED           |
| <b>Power Supply</b>   |                             |
| Input Voltage         | 120VAC                      |
| Output Voltage        | 24VDC                       |
| Rated Power           | 90W                         |
| AC Current            | 1.3A                        |
| DC Current            | 3.75A                       |
| Operating Temperature | -22° - 158°                 |
| Certification         | UL, CE, FCC                 |

### LED Light Specifications

|                    |                       |
|--------------------|-----------------------|
| <b>Model</b>       | <b>LIGHTBAR-WH-48</b> |
| Operating Voltage  | 24VDC                 |
| Wattage            | 11.32W                |
| Kelvin Temperature | 3500K                 |
| Lumens             | 379 Lumens            |
| Light Bar Length   | 47”                   |
| Connection Type    | IP67 Twist Lock 2 Pin |
| Connection Length  | 10”                   |
| Dimensions         | .72" x .50" x 48"     |
| IP Rating          | IP67                  |
| Certification      | cETLus / SGS / TUV    |
